9. QUESTION: (INCLUDE SCENARIO IF NEEDED FOR CLARITY):

Customer is currently receiving CalWORKs and CalFresh in our county. The customer calls and says she has moved out of state and is currently living in the other state. When asked if she is receiving aid in the other state, the customer states no. A record clearance to the other state is completed and no aid is being received.

Do we disc CalWORKs and CalFresh and not grant TCF because the customer has already moved or reported that they will be moving out of state before the discontinuance occurred.

10. REQUESTOR'S PROPOSED ANSWER:

Unless the Household is receiving in the other state we would grant TCF for the 5 mo. period or until we knew they had been granted and were receiving in that other state.

11. STATE POLICY RESPONSE (CFPB USE ONLY):

CDSS agrees with the proposed answer. In this scenario, the household who moves out of California can still receive Transitional CalFresh benefits, so long as the household leaves the CalWORKs program in good standing, the household (or members) is not otherwise ineligible to receive CalFresh and the household is not receiving TANF/SNAP benefits in the other state. As a reminder, households that lose CalWORKs because of a CalWORKs sanction or because the county has disqualified them for reasons that render the household (or members) ineligible for CalFresh, such as a disqualification due to an Intentional Program Violation (IPV) or failure to submit a complete a semi-annual report, are not eligible for TCF.
